Summary

A results-driven UI/UX Designer with over 3 years of experience crafting intuitive user interfaces for complex platforms, including large-scale ERP and HRMS systems. Proficient in the end-to-end design process, from wireframing and interactive prototyping to developing high-fidelity mockups and design systems. Adept at using Figma and the Adobe Creative Suite to deliver engaging, responsive, and cross-platform digital experiences.

Skills

UI/UX Core: Wireframing, Prototyping, Design Systems, Responsive Design, ERP & HRMS UI/UX, Visual Design, Typography, Icon Design, 3D Animation

Design Tools: Figma, Adobe XD, Photoshop, Illustrator

Prototyping: Figma, Framer, Uizard

3D & Animation: Blender 3D, Spline, After Effects, Premiere Pro

Development Knowledge: HTML, CSS, & JavaScript (Beginner)

Professional Experience

UI/UX Designer | Colan Infotech Private Limited, Chennai

Aug 2022 - Present

- Designs and delivers wireframes, interactive prototypes, and high-fidelity visual designs for a variety of web and mobile applications.
- Collaborates with cross-functional teams to translate user requirements into intuitive and functional interface specifications.
- Applies design thinking and analytical skills to lead project design phases, solving complex user problems and enhancing usability.

Key Project Highlights:

- **Awal Plastics (ERP System):** Led the UI/UX design for a comprehensive ERP platform, creating over 3,000 wireframe screens for modules like inventory, HR, and procurement to streamline core business processes.

- **Acuite Ratings (FinTech):** Drove the UI redesign for a SEBI-registered Credit Rating Agency, significantly improving user engagement and data accessibility on their public-facing website.
- **Video & Motion Graphics:** Produced and edited impactful marketing and explainer videos for clients, translating complex software solutions into compelling visual stories.

Awards

- **Solid Project Delivery Award** | Colan Infotech | Q1 2025
- **Outstanding Performance & Lasting Contribution Award** | Colan Infotech | Q4 2024
