SUMMARY

As a UI/UX Designer with over 3+ years of experience in designing intuitive interfaces for ERP and HRMS systems. Proficient in **Figma** and **Adobe Creative Cloud**, with a strong grasp of the end-to-end design process. Skilled in **wireframing**, **prototyping**, and building scalable **design systems**. Delivered responsive, user-centered solutions across web and mobile platforms. Completed **10+ projects**, including web design and video editing.

PROFESSIONAL EXPERIENCE

UI/UX Designer | Colan Infotech Private Limited - Pernambut | 08/2022 - Present

- Assisted designers in creating wireframes, prototypes, and visual designs for various projects with design solutions.
- Collaborated with cross-functional teams to define user interface requirements and design specifications for web and mobile applications.
- Developed user experiences with elaborate planning and execution strategies and created style guides for UI.
- Created wireframes, prototypes, and visual designs using industry-standard design tools such as Figma, Adobe XD, and Sketch.

Key PROJECTS

Web Designs

- **Awal Plastics (ERP Management System):** Led the UI/UX design for a comprehensive ERP platform, creating over 3,000+ wireframe screens for modules like inventory, HR, and procurement to core business processes.
- **Excellent Education:** A unique opportunity for Nigerian students to pursue quality education at an affordable cost. My contributions as a UI/UX designer were vital in creating a user-friendly and engaging website that meets the needs of both users and the business.
- **Excellent Hospital:** From advanced medical treatments to compassionate home care, this project focused on providing the highest quality of care. My role was to create a user-friendly and engaging website.

- **LightUp Temples:** This platform provides an important avenue for NRIs to fulfill their religious obligations. I was instrumental in designing a user-friendly and engaging website.
- **Acuite Ratings:** A full-service Credit Rating Agency registered with SEBI and accredited by RBI. I played a key role in designing a user-friendly and engaging website.

Video Editing

- **RDvault:** A reliable, robust, and comprehensive solution for R&D tax that empowers SMEs. My contributions as a video editor were crucial in crafting engaging and impactful videos.
- **Guard Global Centre Of Excellence:** Guiding clients on harnessing the power of leading-edge Software Microservices and Distributed Ledger Technology (DLT). I was responsible for creating engaging and impactful videos.

I specialize in crafting engaging 2D and 3D animation videos that effectively promote businesses. My animations are designed to captivate audiences and convey key messages with impact.

SKILLS

My skills encompass the full design lifecycle, including **UI/UX Design, Visual Design, Interaction Design, User Research**. I am proficient in core design practices such as **Wireframing, Prototyping**, and creating detailed **Mockups**. My approach is grounded in Design Thinking, Problem Solving, and a strong understanding of Information Architecture and **design Laws/Principles**. I also possess strong **Time Management** skills and technical knowledge in **Color Theory, Typography**, and **Video Editing**.
