Sub: Cover Letter

Dear Hiring Manager,

I am writing to express my interest in the UI/UX Designer position that I saw advertised on your Website. I have been working in the position for 2 years, and I have a proven track record of success.

In my previous role at Colan Infotech Private Limited, I was responsible for the User Experience and Interface of the websites and User flow. I have a strong understanding of Designing / Editing softwares, and I am confident that I have the skills and experience necessary to be successful in this role.

In my current position as UI/UX Designer, I have achieved an exponential growth in the field by increasing overall sales or marketing statistics by at least 85%.

I am a highly motivated and results-oriented individual. I am also a team player and I am always willing to go the extra mile. I am confident that I would be a valuable asset to your team, and I am eager to contribute to the success of your company.

I have enclosed with this letter my resume which I hope is satisfactory and meets all your expectations. My resume contains a more in-depth detail about my education and previous work experience. You will find from the resume that I am capable of desired position in your company.

Thank you for your time and consideration. I look forward to hearing from you soon.

Thanks and regards,

HonestRaj V
